

Unit Outline

This unit will give the students the opportunity to combine all of the skills they have learnt so far to create a hair and beauty image. They will create a mood board of ideas then plan a look including a step by step instruction guide. This will be a great way of using their imagination and creativity, it could be for a magazine shoot, wedding or competition.

Essential skills to consolidate

Be able to plan an image
Be able to create an image

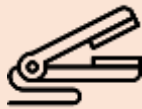

Extra skills to stretch

There is an outside of school competition that they could enter their work into!

Tools and equipment that you will use within this unit

Hairdryer

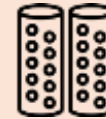

Heated appliances

Brushes

Clips

Rollers

Products

Key vocabulary to consolidate

Sources of information, The Internet, magazines, photographs, sketches, text books, TV/DVD, image libraries, hair/fashion shows, Design plan, storyboard/mood board, How to develop a plan for creating a range, Part of show, competition, presentation, photographic shoot.

Key vocabulary to stretch

Select from a range of hair accessories/products, body art/make-up/beauty products, competition, COSHH, safe working methods, PPE, manufacturers' instructions.

Assessment

Students will complete a mood board full of ideas for their "event". They will then create a plan with that in mind including their chosen design, products needed, safety considerations and a step by step instruction. There will also be a practical assessment of them carrying out their finished look independently.

Progression

This unit will get their creative side flowing which will spread across other subjects. They will be using computer skills, English and problem solving.
