

These qualifications are run through CACHE and encourage a variety of skills to be practiced. Pupils will be encouraged to learn and understand children's growth, learning and development whilst developing a basic knowledge of childcare in early year's settings. The qualification covers working with children up to the age of 5 years old. Pupils will learn the value of play, roles and responsibilities of carers and volunteers and the importance of developing links in the local community. Older pupils will be encouraged to develop a basic knowledge of the adult social care sector, covering the type of job roles and services within it, the role of communication and the importance of valuing the individuals being cared for.
