

Work Experience – Information for Parents

Year 10

Year 10 pupils take part in a week's experience of the world of work, where they have the opportunity to visit some large employers and have three days experience in a work placement.

[Dates for Year 10 Work Experience - Monday 8TH February to Friday 12th February 2021](#)

Year 11

Year 11 pupils have two weeks of work experience, one week in November and one week in June. Their work placements are with employers across South Devon. Work Experience enables pupils to spend time with an employer during the firm's normal working hours. Pupils will participate in realistic work situations, observing what goes on in the workplace and collecting a wide range of useful information about the placement that they undertake. Placement project work will include completing a workbook or a diary that will help students remember their experience and impressions

Sixth Form

Sixth Form Students on the Work Ready Pathways attend a work placement for two days a week across the academic year, giving the opportunity to build a variety of skills in their chosen pathway.

Students on the Preparation for Working Life Course are able to gain work skills in The Yellow Frog Café and also have the opportunity to undertake some voluntary work.
