Dear Parents and Families

Re: New School Day – September 2025

Thank to everyone who responded so quickly and enthusiastically to the surveys providing the changes to the school day. The feedback the school received very much helped the Governors to direct their questions and make their decision. They, like me, are grateful to so many of you for responding giving your feedback.

The response from parents and families was overwhelming in support of changing the timings for the school day. The Governing Board have confirmed that, from September 2025, the timings of the school day will change. The timings will be:

Start of the day: 8.45am (no change)
End of the day: 3.10pm
Friday finish: 2.20pm

A small number of working parents expressed their concern around the earlier finish on Fridays. I committed to them that, if the day did change, I would investigate the possibility of having an after-school club (parent paid) to help alleviate the impact on their working lives. I have started start work on this and will inform parents of more details when I have them.

Can I thank you again for all your feedback.

Yours sincerely

Sally Banfield
