Headteacher

4<sup>th</sup> July 2025

Dear Parents and Families,

**Re: Football Factory After School Club – Starting September 2025**

As you are all aware, the new school day will take effect in September 2025. Whilst this does not have a dramatic effect on most families, some working parents have raised concerns that students will be leaving school at 2.20pm on Fridays.

I have taken these comments into consideration and, to assist with these issues, have liaised with Gareth Sparks at the Football Fun Factory to create an after-school session where students can join weekly for fun, football and friendship. Whilst your child will of course develop their football skills, they will also develop their confidence, social skills and other valuable life skills. This is aimed at boys and girls of all ages and is a wonderful opportunity. **The club will run until 4pm and children will need to be collected from school at this time.**

As mentioned previously, this is something that will be organised directly through Gareth Sparks and therefore any questions or queries you may have can be directed to him on [gareth@thefootballfunfactory.co.uk](mailto:gareth@thefootballfunfactory.co.uk)

If you would like to sign up for the sessions, please click on the link below at your earliest convenience to avoid disappointment.

[Coombe Pafford School - After School Club \(Fridays\) | Football Fun Factory](#)

Yours sincerely
