

Sally Banfield

Headteacher

7th January 2026

Dear Parents and Families,

As you will have seen on the news, many parts of the country have been experiencing snow and extreme weather conditions.

We are relatively protected from these in the Southwest, but it is important that we are prepared, nevertheless.

Please be assured I will take every step to ensure that the school remains open for our young people. Staff and student safety and accessibility to school must however be the priority.

In the event of snow and other conditions that may result in closure or a delay in opening the school, the following will take place:

- A decision to close or open later will be taken in consideration with LA transport
- Parents and families will receive an email via Arbor by 6.45am if the school is closed or starting later.
- This will also be shared on the school website.
- If you do not receive an email by this time, then the school is open as normal.
- If the school is closed, work will be shared by teachers, via Classcharts, if children wish to complete this at home.

Kind regards,

A handwritten signature in black ink, appearing to read 'S Banfield'.
